He advised that the restaurant had now been open for 3 years, they had a good inside area, takeaway and small outside area, however when Covid-19 hit hospitality was greatly impacted, once the restrictions started to ease restaurants were still required to keep people apart. Mr Breckon advised that Noya Shapla have been huge supporters of Health and Essential workers, providing them with free hot meals. The restaurant continue to offer their takeaway service and have survived only because of this. The proposition is to utilise the petanque area after 6pm, weather permitting, the pitch is not used at this time and is mostly used on Sundays, however the users have been consulted with and they had no objections. Mr Breckon further advised that the Miah family were long standing residents and supporters of St Aubin.
