There followed a discussion with Mrs Moz Scott and Mr Oliver Ashton asking questions about the proposed arrangements. The Connétable and Mrs Stephanie Steedman, on behalf of The Shell House Limited, explained that the public toilets would be closed during the construction period and that use of the car park was needed by the builders so it would also be closed to the public during the construction period. This was expected to last approximately six months until the end of April 2021. During this time the Hideout kiosk would be relocated to the road leading to the slipway.
