

A better financial future for you

Community Savings

In partnership with Santander International

Have you struggled to open a bank account?

Is the cost of living crisis impacting on your health and well-being?

Do you worry about how to make ends meet and don't know where to turn for advice and support?

Do you need emergency funding support?

We help those experiencing financial difficulties, for whatever reason by providing free and confidential services, guidance and practical assistance to those most in need.

Help and money advice

We can offer basic current and savings accounts, introduce you to a pre-paid card provider, financial mentoring, budgeting advice, as well as emergency funding by way of loans and grants.

Financial education

Our programme of financial education can help people avoid getting into financial difficulty in the future.
