**2. In accordance with Article 5(1) of the licensing (Jersey) law, 1974 as amended, consider the following licensing application for recommendation to the licensing Assembly.**

**Tres D'or Limited  
Mr Vasile Cosmin Popa  
3<sup>rd</sup> (Restaurant) category  
Tresor  
La Neuve Route  
St Brelade  
JE3 8BS**

The Chairman announced consideration was being given for a 3<sup>rd</sup> (Restaurant) category licence for Tres D'or Limited (Previously Shinzo). Reports from Morris Architects stated that previously 70 Patrons had been allowed for internally and 24 externally and the report from the Environmental Dept supported that but was subject to the Report from the Fire Department which would confirm occupancy numbers which had not yet been received.

There being no legal representation for the Company Mr Popa spoke on behalf of Tres D'or Limited and said the restaurant would have a French style cuisine and was just a restaurant not a bar, with an outside area and quiet background music.

The Chairman advised the Assembly that he had received a copy of an e-mail sent from Jason Troy requesting that the applicant be questioned regarding whether the licence was to be extended to the outside patio area and if so whether there would be any time restrictions.

Mr Popa explained that the outside area was included in the occupancy numbers and a time restriction of 10pm for when music to be stopped by and the area would be vacated by 23:00 hrs was planned.

However the Chairman felt there was a lack of understanding of the exact requirements of the law and requested that Mr Popa seek advice From Mr Jason Troy regarding occupancy of all of the restaurant area.

	<p>Arthur Morley asked for a letter from Tres D'or Limited to confirm the interior and exterior numbers be sent to the Parish before the Licencing Assembly on November 1<sup>st</sup>.</p> <p>The Chairman asked if there was a proposal for the application?
