NOTICE OF UPCOMING EVENT

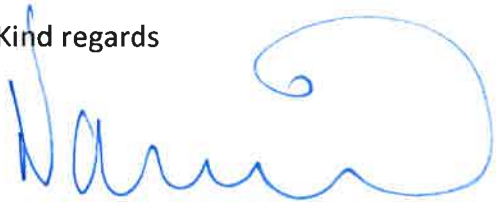

Dear Salty Dog Neighbour,

I am contacting you to make you aware of special evening we are holding at the Salty Dog on Thursday 1st November. As part of our Gourmetfest season we have introduced one live music event with local musician Giles Robson. It is a condition of our P49 Entertainment Licence that we notify our neighbours and the Parish of any such events.

I do not anticipate there being any disturbance to our neighbours and would like to reassure you that sound levels will be managed and monitored throughout the evening. Giles is a blues harmonica and vocal artist who will be entertaining us with Olly Rybarczuk another local musician and will be performing from 8.30pm to 10.30pm inside the restaurant.

Should you have any questions, please do not hesitate to contact at the restaurant on 742760 or mobile 07797 738 431.

Kind regards

Natalie Parkin Duffy
