

2023 Flying bursary sponsored by The Butlin Family Charity Trust

Helping Wings, Jersey's Flying Charity, is delighted to announce that applications are now open for a bursary worth £3500 of flying training sponsored by The Butlin Family Charity Trust.

The first step is to submit an application, after which we will invite the applicants to come and meet us so that we can find out more about them and let them know more about the flying training with Synergy Flight Training based at the Jersey Aero Club.

Applicants need to be over 16 years old and be willing to share the flying experience on social media to help us raise the profile of the bursary.

Whilst no medical examination is required, we may seek a medical opinion to ensure that both the successful candidate and the instructors can complete the bursary safely. We have been able to welcome students with a variety of disabilities so please consider applying. If you have any concerns about your fitness to fly, you are welcome to contact us for a discussion before applying.

We will not share the information on this form beyond the selection panel without your consent. We will only retain the application form from the successful applicant whose details will be shared with Synergy Flight Training instructors.

In your own words, please tell us briefly how the bursary would benefit you:

MEDICAL SELF-DECLARATION FORM

This declaration must be completed in order for the bursary application form to be considered. If you have any doubts about signing the declaration, we advise that you contact your GP.

DECLARATION

I hereby declare that to the best of my knowledge I neither have, nor have I been diagnosed with any medical condition which would cause an adverse effect during flight.

I further declare that I have no medical condition which is likely to be exacerbated by the forces exerted on my body during flight.

I understand that, in the event of an emergency evacuation, I may not be able to exit from the aircraft until assistance arrives

I confirm that I have read and understood this declaration of fitness to fly.
